Dear Parents,

All of us have been struggling to keep up with the onslaught of COVID- 19 (Coronavirus). I thank you all for your cooperation in dealing with this pandemic. I am extremely grateful to our staff members who have done everything possible to conduct Online teaching to our students. I can understand your difficulties in paying the fees during the Lockdown period. The management has decided not to increase any fees this Scholastic year 2020-2021. Many of you may prefer to pay the fees after the Lockdown period, however I would be grateful to you if some of you who can, may pay the fees online now, and support to us to help our staff.
