Jhotwara, Jaipur

25.08.2021

From : The Principal's Desk

Attention : Parents of students studying in Classes VI-IX & XI (2021-2022)

Subject : Introduction of Skill subjects at Middle School Level (VI-VIII), Secondary Level (IX) and Senior Secondary Level (XI) from the Academic Session 2021-2022

Dear Parent,

The Central Board of Secondary Education is putting in continuous efforts in promoting Learning Outcome Based Education and Skill Education to upgrade the skill and proficiency of the young generation and also to create an awareness among them to explore various career options.

Complying with the CBSE guidelines and the recommendations of NEP 2020 and its commitment to promotion & development of skills in students, the School has decided to introduce various Skill Subjects (to be offered as additional subject / 6th Subject) as per the tabulated details. Kindly make a serious note of the following:-

1. The Skill subject will be in addition to the main subjects (Compulsory).
2. In classes VI to VIII two additional subjects are already included in the course of study (Computer and Drawing & Craft) and so a student may now redefine and choose from the List of "Skill Subjects" for a particular Class, as more choices are available now.
For Classes VI to VIII : As the subject Computer and Drawing & Craft is being taught during the ongoing Session (2021-2022), the student has two choices available with him/her given as under :-

Choice A : The Student may continue with the same subjects (Computer and Drawing & Craft) for the session 2021-2022 and may choose any Skill subject in the next session in the next Class.

Choice B : The Student may change the additional subjects (Computer and Drawing & Craft) and replace them with the Skill subjects for the ongoing session (2021-2022). In this case the marks obtained in the previous examination for these subjects will be applicable to the changed Skill subjects. The valid Subject replacement is given as under:-

- (i) For Replacing Computer, Artificial Intelligence/Coding-New/Data Science-New may be opted.
- (ii) For Replacing Drawing & Craft, Handicraft may be opted.

3. For Class IX the 6th Subject is already included (Information Technology-402) and so the student can either keep the same subject as the Skill Subject or may redefine and choose from the List of "Skill Subjects" as more choices are available now. The subject

St. Anselm's North City School

Jhotwara, Jaipur

chosen in Class IX will continue in Class X. No change will be allowed (by the Board) as the candidate is registered with the Board in Class IX.

4. For Class XI the 6th Subject (any one from the Skill Subject choice) is compulsorily to be chosen. The subject chosen in Class XI will continue in Class XII. No change will be allowed (by the Board) as the candidate is registered with the Board in Class XI.
5. For Class X & XII (Session 2021-2022) the choice of Skill Subject cannot be offered as these students are already registered with the Board in Class IX /XI (2020-2021)
6. You are requested to submit the choice of your ward for the Skill subject by submitting the details through the Google Form by clicking the link <https://forms.gle/wFUId4EgmWeL3u969> .
7. **The choice has to be submitted latest by 28.08.2021.**
