Dear Parents and Students

We are excited to announce the launching of “**Excellence Foundation Classes**” at St. Anselm's North City School. This program is crafted to nurture young minds and prepare them for a brighter future by bridging the gap between school academics and competitive exams like **IIT-JEE, NEET, NDA, Olympiads and other advanced-level assessments.**

Why Enroll in Foundation Classes?

- ✓ Early Preparation for Success
- ✓ Comprehensive Development
- ✓ Expert Guidance
- ✓ Structured Learning Environment

Selection Process

Students will be selected for the Foundation Classes through a **Merit Based Entrance Test.**

The details of the test are as follows:

Date: 15/12/2024 (Sunday) **Examination Time:** 09:00 AM to 11:00 AM **Duration:** 2:00 hours

Mode: Offline (at the school campus). **Eligibility:** Students from classes 5 to 11 are eligible to apply.

Questionnaire Structure: The questionnaire structure will focus exclusively on MCQs for evaluation

Syllabus for Entrance Test

The entrance test will assess students on the NCERT curriculum along with logical reasoning and aptitude (according to standard). Below are the details:

- ✓ Mathematics, Physics, Chemistry, Biology
- ✓ Logical Reasoning: Coding-decoding, series completion, pattern recognition, and puzzles.
- ✓ English: Grammar (tenses, sentence correction, prepositions), comprehension passages, synonyms, antonyms, and vocabulary-based questions.

Class Structure and Pattern

Once selected, students will be enrolled in a structured program that includes:

- ✓ **Regular Classes:** Weekly sessions designed to cover both school curriculum and advanced-level competitive exam topics.
- ✓ **Customized Study Material:** Comprehensive materials including notes, practice sheets, and reference content.
- ✓ **Weekly Tests:** Tests will be conducted to assess students' understanding and identify areas of improvement. Results will be shared with students and parents for continuous tracking.
- ✓ **Doubt-Clearing Sessions:** Dedicated sessions to address students' queries and provide individual attention.
- ✓ **Workshops and Seminars:** Occasional expert-led workshops to inspire and guide students about career paths and exam strategies.

We encourage interested students to register for the entrance test by contacting the administrative staff.
